**Case# 2025-08 Block 101.01, Lot 23.01 AKA 105 East Browning Road**

The applicant is asking the Board to review a Zoning Officer's decision and explain how local Zoning rules apply. The request is about a two-family dwelling where a group of people in recovery from addiction live together in sobriety. This group, called a Cooperative Sober Living Residence (CSLR), wants to keep living together as one household. If needed, the applicant also asks for a special approval (called a D variance) to allow this use to continue.
