General Notes
Drunk Driving Free Zone Map is based on tax assessment maps prepared by Remington & Vernick Engineers, endorsed by Charles E. Adamson, L.S. no. 42627.

The radius buffer line is offset from the outbound property line of the subject properties. No field survey was completed to establish these buffer lines, property lines, or road right-of-way lines.

If an arrest occurs involving a drunk driving offender on or near the buffer line displayed on this map, a detailed field survey and plan may be required for definitive location and clarity purposes.
