Voter Registration

- You must complete a [New Jersey Voter Registration Application](#) form. These forms may be obtained from the Division of Elections, Camden County Board of Elections Office, your Municipal Clerk's office, or simply downloaded from this website.
 - Voter Registration Applications now feature an option to receive a Mail-in-Ballot for all future elections (including primary and special elections).
 - You must provide an original signature. The form cannot be faxed or electronically submitted.
 - You must provide a valid ID in the form of a driver's license number or the last 4 digits of your social security number if you have one.
 - You must return the completed form at least 21 days prior to the next election to be eligible to vote in that election.
-

Party Affiliation

- You do not have to affiliate with a party when registering to vote. If you do not choose a party, you will be classified as "UNAFFILIATED".
- In order to vote in a Primary Election, you must declare the party you wish to vote in. If you are "UNAFFILIATED", you may declare your party either by filling out a [State of New Jersey Political Party Declaration Form](#) and submitting it to the Camden County Board of Elections 55 days prior to the election or simply by declaring your party at the polls on the day of the election.
- If you have declared a party and wish to change that affiliation, you must submit a State of New Jersey Political Party Affiliation Declaration Form 55 days prior to the Primary Election.

Mail-In Ballot Voting

- As of 2018, voters may choose to receive a Mail-In Ballot for all future elections (including primary and special elections) by filling out one application. If voters choose this option, they will automatically receive ballots without further action, until they choose to opt out.
 - You may now vote by Mail-in Ballot for any election. You do not need a reason.
 - You must apply for a Mail-in Ballot by completing a [Mail-in Ballot Application](#). You must mail this to the County Clerk's Office PO Box 218 Blackwood NJ 08012-9805 up to 7 days prior to the election. The County Clerk cannot accept faxed copies or electronic submissions, as an original signature is required. You may apply in person at the County Clerk's office up to 3:00 PM on the day before the election.
 - Once your ballot is voted and sealed, it must be returned to the Camden County Board of Elections by 8:00 PM on the day of the election.
 - A Mail-in Ballot Drop Box is located at the front entrance of the Borough Hall for your convenience.
 - If you have applied for a Mail-in Ballot and have decided not to vote it and instead vote at the polls, you may now do so. However, you must vote by provisional ballot.
-

Voter Information Changes

- If you change your name due to marriage, divorce, or by judgment of the court, you may notify the Camden County Board of Elections in a written statement with an original signature at least 21 days prior to the election.
